WALLON[®]
Seamless Designer Planks

SPLENDID

Wallon by Treelam has taken over the wall panel industry in India with its popular and versatile seamless designer planks. Wallon gives priority to quality and aesthetics as it understands the need of today's ambiances and clients. Regularly updating and innovating new products & designs has allowed Wallon to become a favorite of several interior designers and homeowners.

The promise of
**unbreakable
bonds!**
